### THE ELECTION.

The election for State officers was held on Tuesday last and went off very quietly in this city and county.

The Democrats swept the State and elected their ticket by about 25,000 majority, much to their surprise, as well as of the other fellows.

Owing to the fact that yesterday was the day for the County Board of Election Commissioners, consisting of Messrs. A. G. Jeffers, Richard Morris and John D. Griffin, to tabulate the official vote, and that the work was completed too late for us to obtain it in time for our paper this morning, we will content ourselves by stating that the Democratic majority in the county was 1,399. The majority for the Democratic Councilmen in this city was 145.

There's lots of back-talk, but that don't cut any ice with us.

The boys that are downed will have to grit their teeth and bear it.

Hives are a terrible torment to the little folks, and to some older ones. Easily cured. Doan's Ointment never fails. Instant relief permanent cure. At any drug store, 50 cents.

### SLIGHT SHOCK.

There was a slight shock of earthquake felt in this city on Wednesday. But few, however, of our citizens was aware of it.

### OBITUARY.

DIED—On Monday, the 2nd of November, B. Marshall Suter, aged 24 years.

He belonged to the 2nd Kentucky State Guards, and went with his company to Camp Young, where he contracted typhoid fever and returned home to die.

He was a most exemplary young man, of good habits, and the idol of his family.

He stood some 6 feet 2 inches and broad in proportion.

His family is prostrated with grief and his many friends are sorely grieved over his untimely death. He had been a consistent member of the Baptist Church for many years.

He was buried at the Choateville burial ground. Rev. Mr. Burton conducted the burial services at the Choateville Christian Church.

Capt. Gordon and many comrades were there to show him military honors.

Our hearts go out in sympathy to his heartbroken parents, brothers and sisters, in this their sad bereavement.

Never was a young man more beloved by family and friends than he. Every attention by both doctors and nurse were given.

Miss Laura Cash, of Winchester, is the charming guest of Miss Pattie South.

### A KID.

### ABLE ADDRESS.

Mr. Samuel E. Hutton, General Passenger Agent of the Frankfort and Cincinnati Railway, delivered an able, strong and pointed address at the First Baptist Church, on Sunday morning, his theme being "The Bible In The Home," and was in advocacy of the "Home Department" work of that church, of which Mr. Hutton is the Superintendent.

Mr. Hutton deplored the fact that Bible study had been so largely remitted to the Sunday-school or the church, and that so little real study of that marvelous book was done in the home. He urged the vital importance of a thorough study of God's word, and, in impassioned thought, portrayed the strength of Christian character as established by a study of the sublime truths so clearly and forcibly portrayed in the written word.

The address was one of great power and made a deep impression upon every one who heard it. It will, no doubt, lead to good and lasting results.

### NEEDLE WORK GUILD.

The Ladies Needle Work Guild will meet in the basement of the First Presbyterian Church, Nov. 20th, at 3.30 o'clock, at which time the Directors are requested to have their garments ready for distribution.

We hope all will enter into this very worthy work with renewed zeal and interest.

### CURED OF PILES AFTER 40 YEARS.

Mr. C. Haney, of Geneva, O., had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, eczema, tetter, salt rheum, and all other skin diseases. Look for the name, De Witt, on the package—all others are cheap, worthless counterfeits. Sold by J. W. Gayle.

Did Not Close For a Week.

Heart Trouble Baffled Doctors.

Dr. Miles' Heart Cure and Nervine Cured Me.

There is nothing more necessary to health than sleep and rest. If these are denied you, when you want to bed, there is an affection of the nerves plainly present. If your heart is weak, or there is an inherited tendency in that direction, your weakened nerves will soon so affect your heart's action as to bring on serious, chronic trouble. Dr. Miles' Nervine is a nerve tonic, which quiets the nerves, so that sleep may come, and it quickly restores the weakened nerves to health and strength. Dr. Miles' Heart Cure is a great blood and heart tonic which regulates the action of the heart, enriches the blood and improves the circulation.

"Some time ago I was suffering severely with heart trouble. At times my heart would seemingly stop beating and at others it would beat loudly and very fast. Three to four hours sleep each night in ten months was all I could get. One week in last September I never closed my eyes. I got Dr. Miles' Nervine and Heart Cure at a drug store in Lawrenceburg, after spending \$300.00 in medicines and doctors in Louisville, Shelbyville, Frankfort, Cincinnati and Lawrenceburg, and in three days have derived more benefit from the use of your remedies than I got from all the doctors and their medicines. I think everybody ought to know of the marvelous power contained in your remedies."—W. H. HUGHES, Fox Creek, Ky.

### THE CHRYSANTHEMUM SHOW AND LUNCH.

The ladies of the King's Daughters, having in charge the exhibition of chrysanthemums, opened the affair in the ball room of the Capital Hotel, on Wednesday at noon.

There were many rare and beautiful specimens of these flowers exhibited, and the contests for the prizes were close, and required great tact and judgment in awarding the prizes.

The ladies served dainty and attractive lunches during the time the exhibition was in progress.

The weather was very unpropitious and somewhat marred the success of the affair, but, nevertheless, the managers feel greatly encouraged. The cash returns were satisfactory.

### DO YOU WANT TO YAWN?

Feel cold shiverings, aching in the bones, lack of energy, headache, and great depression? These symptoms may be followed by violent headache, high fever, extreme nervousness, a condition known as malaria. Herbine cures it. Take it before the disease gets a fair hold, though it will work a cure in any stage. J. A. Hopkins, Manchester, Kan., writes: "I have used your great medicine, Herbine, for several years. There is nothing better for malaria, chills and fever headache, biliousness, and for a blood-purifying tonic, there is nothing as good." 50c at Paul B. Weitzel's.

The ladies of Ascension Church Guild will give a Doll and Apron Sale and Church Supper the first week in December, at the Parish House.

The exact date will be announced later.

Keep this matter in mind and make your holiday purchases then.

### STOOD STILL.

Owing to the fact that all the guards except a small contingent had gone to their homes to vote, and the extremely heavy fog, the prisoners in the Penitentiary were given their breakfast on Tuesday and then returned to their cells, thus stopping all the work at that institution. Pretty severe on the taxpayers of the State.

### BADLY HURT.

Two citizens of the Bald Knob district came to town on Monday to attend county court. When they started home that afternoon they became involved in a difficulty, on the West Side, during which young Walter Warfield threw a rock at Wm. Slattery, inflicting a dangerous wound in the head behind the ear, rendering him unconscious. Dr. O. B. Demaree was summoned and attended the wounded man, soon restoring him to consciousness.

Warfield was arrested and placed in jail to await the result of Slattery's injuries.

## Consumption

The only kind of consumption to fear is "neglected consumption."

People are learning that consumption is a curable disease. It is neglected consumption that is so often incurable.

At the faintest suspicion of consumption get a bottle of Scott's Emulsion and begin regular doses.

The use of Scott's Emulsion at once, has, in thousands of cases, turned the balance in favor of health.

Neglected consumption does not exist where Scott's Emulsion is.

Prompt use of Scott's Emulsion checks the disease while it can be checked.
